

School-Pass™ Implementation Impact Summary

Nov. 12, 2010

About the School:

- Located in Dallas, TX
- Non denominational school located at the intersection of 2 traffic congested streets
- 437 students, grades Pre-K-4 (approx. 350 families)
- Aftercare for 20 students
- Approximately 60 dismissal changes per day
- Approximately 220 vehicles in carpool line each day
- Multiple after-school activities

"There is no other carpool dismissal system in the United States like School-Pass. Our dismissal process has been streamlined and embraced by our community. It is fast, easy, safe, and time saving. With this cutting edge technology, we are now a leader in the country when it comes to carpool dismissal. Thank you School-Pass."

Marynell Murphy (Director of Operations-The Lamplighter School)

Benefit	Before (School-Pass implementation)	After (School-Pass implementation)
Enhanced student safety	Students dismissed from 2 carpool areas and proceed to these dismissal areas after hearing their number over the PA system.	Students dismissed from quiet classrooms without having to listen to numbers and names being called repeatedly over the PA system.
Reduced staff/faculty required	2 staff members respond to carpool change phone calls throughout the entire day. Carpool number held out the window.	2 staff members now assigned to other educational tasks. Parents make all changes online, and staff/teachers are automatically notified.
Automatic identification of parents and scheduling of students	One teacher at each dismissal area calls the students over a PA system to cars.	<i>School-Pass</i> automatically identifies and logs vehicles into and out of pickup areas as they enter and exit the campus
Reduced parent wait times	Total dismissal process: 40-45 minutes, most days. Average parent wait time: 20-30 minutes.	Total Dismissal time: 25-30 most days Average Parent wait time: 6-12 minutes.
Quiet, fast, and orderly dismissal	Overall noisy, confusing and potentially unsafe pickup, with unnecessary long exposure to seasonal weather	Students spend the time waiting for dismissal doing their homework. Pick-up is now quiet, orderly and safe.
